

CURRICULUM VITAE

DENNIS J. BAUMGARDNER

WORK/ADDRESS/PHONE: 1020 N. 12 Street
Suite #4180
Milwaukee, Wisconsin 53233
(414) 219-5191

INTERNET ADDRESS: dennis.baumgardner@fammed.wisc.edu

POSITION: Professor of Family Medicine,
University of Wisconsin School of Medicine and Public Health
Director of Campus Research, Aurora UW Medical Group
Associate Director for Health Services Initiatives,
Center for Urban Population Health

LANGUAGES:

English: Fluent written, spoken, read
Spanish: Moderate spoken, read
Portuguese: Minimal spoken, moderate read
German: Minimal spoken, read

EDUCATION:

Undergraduate:

A.A. with honors in Pre-med; Springfield College in Illinois;
GPA 5.00/5.00; Phi Theta Kappa; May, 1977
B.S. with distinction in Microbiology; University of Illinois
at Urbana; GPA 4.96/5.00; Bronze Tablet University
Honors, Phi Kappa Phi; May, 1979
M.D., University of Illinois College of Medicine at Urbana-Champaign;
Independent Study Project in Microbiology; June, 1983

Postgraduate:

Residency in Family Practice, Rockford Medical Education Foundation; Special electives: High-Risk Obstetrics, Obstetrical Ultrasound, Flexible Sigmoidoscopy; 1983-1986

SPECIALTY BOARD CERTIFICATION:

Diplomate, American Board of Family Practice - 1986, 1992, 1998, 2004

LICENSURE:

Illinois: #036-069071 (inactive)
 Wisconsin: #27548
 DEA Number: AB2955550

EMPLOYMENT HISTORY:

Present Position:

Director of Campus Research, Aurora UW Medical Group	2006-
Director of Mentoring and Promotions, Aurora UW Medical Group	2007-
Associate Director for Health Services Initiatives, Center for Urban Population Health	2006-
Professor of Family Medicine, University of Wisconsin School of Medicine and Public Health	2000-

Past Positions:

Associate Chair	2002-2006
Campus Director	2001-2006
Department of Family Medicine, Milwaukee Clinical Campus	
University of Wisconsin Medical School	
Research Director, Department of Family Medicine, University of Wisconsin Medical School – Milwaukee Clinical Campus	1996-2006
Research Director, St. Luke's (Aurora) Family Practice Residency Program, Milwaukee, WI	1990-2006
Program Director, St. Luke's (Aurora) Family Practice Residency Program, Milwaukee, WI	1994-2001
Associate Professor of Family Medicine, University of Wisconsin Medical School	1992-2000
Medical Director, St. Luke's Family Practice Center, Milwaukee, WI	1994-1998
Director, Academic Family Medicine Fellowship, St. Luke's Family Practice Residency Program, Milwaukee, WI	1994-1996, 1997
Associate Director, Academic Family Medicine Fellowship, St. Luke's Family Practice Residency Program, Milwaukee, WI	1996-1997
Assistant Professor of Family Medicine and Practice, University of Wisconsin Medical School	1990-1992
Assistant Professor of Clinical Family Medicine, University of Illinois College of Medicine at Urbana	1989-1990
Director, Carle Foundation Family Practice Residency, Urbana, IL	1989-1990
Clinical Assistant Professor, Department of Family Medicine, Medical College of Wisconsin	1989-1990
Assistant Professor, Department of Family Medicine, Medical College of Wisconsin	1986-1989
Assistant Director, St. Luke's Family Practice Residency Program, Milwaukee, WI	1986-1989
Educational Coordinator for Obstetrics, St. Luke's Family Practice Residency Program, Milwaukee, WI	1987-1989

Clinical Instructor, Department of Family Medicine, University of Illinois College of Medicine at Rockford	1984-1986
Graduate Teaching Assistant (Immunology and Microbiology), Department of Microbiology and School of Basic Medical Sciences, University of Illinois at Urbana	1979-1981
Research Assistant, Dr. S. Kaplan, Department of Microbiology, University of Illinois at Urbana	1979-1983
Pharmacy Apprentice, Retail Drug Store, Springfield, IL	1973-1979

HOSPITAL STAFF APPOINTMENTS:

Aurora Sinai Medical Center, Milwaukee, WI - Active	2001-
St. Luke's Medical Center, Milwaukee, WI – Active	1986-1989, 1990-
Howard Young Medical Center, Woodruff, WI – Courtesy	1989-1994
Carle Foundation Hospital, Urbana, IL – Active	1989-1990
Sinai Samaritan Medical Center, Good Samaritan Campus, Milwaukee, WI – Courtesy	1987-1989
St. Francis Hospital, Milwaukee, WI – Courtesy	1986-1989
Rockford Memorial Hospital, Rockford, IL – Resident	1983-1986
St. Anthony Hospital Medical Center, Rockford, IL – Resident	1983-1986
Swedish American Hospital, Rockford, IL – Resident	1983-1985

HONORS AND AWARDS:

Outstanding Poster Presentation, 2 nd Place, Aurora Health Care Scientific Day	2007
Outstanding Poster Presentation, 1 st Place, Aurora Health Care Scientific Day	2005
Faculty Excellence Award for Leadership, UW Department of Family Medicine	2004
The William E. Scheckler Prize for Best Faculty Research Project, UW Department of Family Medicine	2004
The William Pickles Award for Research, Wisconsin Research Network	2001
Teacher of the Year, St. Luke's Family Practice Residency Program	1997-1998
Certificate of Appreciation, St. Luke's Family Practice Residents	1997
Teacher of the Year, St. Luke's Family Practice Residency Program	1994-1995
Wisconsin Academy of Family Physicians, Family Practice Educator of the Year	1993
Teacher of the Year, St. Luke's Family Practice Residency Program	1990-1991
Gold Star Award (For excellence in patient care), Carle Clinic Association, Urbana, IL	1990
Certificate of Appreciation for Blastomycosis Research, Howard Young Health Care, Inc., Woodruff, WI	1989
Special Teaching Award, St. Luke's Family Practice Residency Program	1986-1989
Teacher of the Year, St. Luke's Family Practice Residency Program	1987-1988
Teacher of the Year, St. Luke's Family Practice Residency Program	1986-1987
Society of Teachers of Family Medicine Resident Teacher of the Year Award	1986

PROFESSIONAL SOCIETIES:

North American Primary Care Research Group (NAPCRG)
 American Academy of Family Physicians (AAFP)
 Wisconsin Academy of Family Physicians (WAFP)
 Wisconsin Research and Education Network (WREN)
 International Society for Human and Animal Mycology (ISHAM)
 Medical Mycological Society of the Americas

GRANTS AND MONETARY AWARDS:

University of Wisconsin, Department of Family Medicine, Small Grant. Co-Principal Investigator with David Simmons MPH, \$4,000.00; 2009. Analysis of ADHD rates in DFM clinics in Dane County.

University of Wisconsin, Department of Family Medicine, Small Grant. Principal Investigator, \$2,029.00; 2007. Geographic Distribution of ADHD among Children in the Milwaukee Metropolitan Area.

University of Wisconsin, Department of Family Medicine, Small Grant. Principal Investigator, \$1,870.00; 2005. Urban Blastomycosis.

Private Citizen, Eagle River, Wisconsin (via St. Luke's Foundation, Milwaukee, WI). Principal Investigator; 2000, 2001, 2002, 2003, 2004, 2005, 2006, 2007, 2008, 2009 (total for all years: \$12,000.00). Blastomycosis Research.

University of Wisconsin, Department of Family Medicine, Small Grant. Principal Investigator (40% effort), \$1,760.00; 1998. A case control study of the effect of labor epidural anesthesia on breastfeeding of healthy term newborns delivered vaginally.

University of Wisconsin, Department of Family Medicine, Small Grant. Co-principal investigator/faculty sponsor (40% effort), \$946.00; 1997-98. A case-control study of an apparent outbreak of Bell's palsy at a free medical clinic.

Perinatal Foundation (Madison, WI). Principal investigator (70% effort), \$2,650.00; 1997. A qualitative (focus group) study of quality of life in technology-dependent handicapped children, and their families, receiving home care.

Eagle River (Wisconsin) Blastomycosis Research Fund. Principal investigator (90% effort), \$366.64, 1996; and \$1,700.00, 1993. Field research and basic research on the epidemiology and ecology of Blastomyces dermatitidis.

University of Wisconsin, Department of Family Medicine, Small Grant. Principal investigator (90% effort), \$3,873.35; 1992. Investigations of a soil enrichment for Blastomyces dermatitidis.

St. Luke's (Milwaukee, Wisconsin) Foundation Grant. Principal investigator (100% effort), \$500.00; 1990. Continuing development of soil enrichment for Blastomyces dermatitidis.

University of Illinois, Biomedical Research Support Grant #RR07030. Principal Investigator (100% effort), \$951.00; 1990. Beginning development of soil enrichment for Blastomyces dermatitidis.

Eagle River (Wisconsin) Memorial Hospital Foundation Grant. Principal investigator (80% effort), \$1,000.00; 1989-90. Investigation of an outbreak of human and canine blastomycosis near Eagle River, Wisconsin.

Howard Young (Woodruff, Wisconsin) Foundation Grant. Principal investigator (80% effort), \$1,500.00; 1989-90. Investigation of an outbreak of human and canine blastomycosis near Eagle River, Wisconsin.

Medical College of Wisconsin, Department of Family and Community Medicine Seed Grant. Principal Investigator (100% effort), \$483.10; 1989. Start up epidemiologic and field research on blastomycosis.

Medical College of Wisconsin, Department of Family and Community Medicine Seed Grant. Principal Investigator (50% effort), \$308.00; 1987-89. Survey of graded exercise stress test training in Family Practice and Internal Medicine Residencies.

University of Illinois College of Medicine at Rockford, MSP Grant #2-6-51817. Principal investigator (50% effort), \$4,320.00; 1985-86. Study of pharyngitis patients for the presence of Legionella species in pharyngeal secretions.

CAMPUS TEACHING:

University of Wisconsin Medical School-Milwaukee Clinical Campus (Assistant/Associate Professor/Professor of Family Medicine):

Medical Student Teaching:	
Preceptor, M-3 Primary Care Clerkship	1990-date
Preceptor, M-4 Elective Clerkship	1990-date
Preceptor, Summer Research Extern	1992, 1997-98, 2000-2002, 2004 2007, 2008
Preceptor, MPH Student Field Experience	2007-date
Occasional Lecturer, Primary Care Clerkship	1990-date
Preceptor, Summer Clinical Extern	1994
Mentor, Primary Care Clerkship	1991-92
Preceptor, Alverno College Field Experience	2009
Resident Teaching:	
Faculty, St. Luke's (Aurora) Family Practice Residency	1990-date
Research Director, St. Luke's (Aurora) Family Practice Residency	1990-date
Neonatal Advanced Life Support, Certified Instructor (Local Course Director 2005-date)	1991-date
Advanced Life Support for Obstetrics, Certified Instructor, Advisory Faculty [2008-date] (Local Course Director 2007-2009)	1997-date
Preceptor Flexible Sigmoidoscopy (ended), Colposcopy, Cryotherapy; Rotation/Curriculum Coordinator for Obstetrics (1998-2000); Neonatology (until 2002), Nutrition (until 2002); Research Elective and Biomedical Research Curriculum	1990-date
Curricular Lectures for Infectious Disease Lecture Series; Family Medicine Rotation; and prenatal care (until 2001)	1990-date
Conference Series Lectures given on: Nutrition, Developmental Problems in Children, Childhood Infections, Research, Blastomycosis, Chaos Theory in Primary Care, Antibiotics and other Infectious Disease topics, Acne, Research Ethics, Colposcopy, Journal Club, and others	1990-date
Fellowship Teaching:	
Director and Teaching Faculty, St. Luke's Family Practice Academic Family Medicine Fellowship	1994-96, 1997
Associate Fellowship Director	1996-97

University of Illinois College of Medicine at Urbana (Assistant Professor of Clinical Family Medicine):

Medical Student Teaching:	
Preceptor, Family Practice Clerkship	1989-1990
Resident Teaching:	
Director, Carle Foundation Family Practice Residency, Urbana, Illinois	1989-1990

Medical College of Wisconsin, Milwaukee, Wisconsin, (Assistant Professor of

Family Medicine):

Medical Student Teaching:

Preceptor, ICM-I Freshman Physical Diagnosis	1986-1989
Preceptor, ICM-II Sophomore Physical Diagnosis	1987-1989
Preceptor, M-4 Ambulatory Clerkship	1986-1989
Preceptor, OB/Gyn Clerkship	1991-1994

Resident Teaching:

Faculty/Assistant Director, St. Luke's Family Practice Residency	1986-1989
Educational Coordinator for Obstetrics	1987-1989
Supervisor, Flexible Sigmoidoscopy Resident Training	1986-1989
Coordinator and Lecturer, Perinatal Lecture Series	1986-1989
Instructor, Pediatric Advanced Life Support Mini-Course, St. Luke's Medical Center	1988, 1989
Conference Series Lectures given on: Prenatal Care, Chlamydia, Antibiotics, Infectious Diseases Vignettes, Blastomycosis, Newborn Illnesses, Constipation, Vaginitis, others.	

University of Illinois College of Medicine at Rockford

(Resident/Clinical Instructor, Department of Family Medicine):

Preceptor, CMS-I Physical Diagnosis Course	1983-1985
Attending Preceptor, CMS-II Clinical Physical Diagnosis Course	1985-1986

University of Illinois College of Medicine at Urbana (Medical Student/TA):

Teaching Assistant, Microbiology	1980-1981
Teaching Assistant, Immunology	1979-1980

PRESENTATIONS:

Invited Presentations at National/International Conferences:

1. Ecology of Blastomyces dermatitidis, Roundtable Lecture, Roundtable Co-Chair 14th Congress of the International Society for Human and Animal Mycology, Buenos Aires, Argentina 2000
2. Epidemiology and Ecology of Blastomyces dermatitidis, Plenary Lecture, VII International Meeting on Paracoccidioidomycosis, Campos do Jordao, Sao Paulo, Brazil 1999

Conference Presentations at Regional/National/International Meetings:

1. Blastomycosis in Urban Southeastern Wisconsin. (Lemke M [presenter], Baumgardner DJ, Brummitt CF, Swain GR, Buggy BP, Meidl JJ, et al.) Poster presentation at 37th Annual Meeting North American Primary Care Research Group, Montreal, Quebec 2009
2. Prevalence of Periodic Fever, Aphthous Stomatitis, Pharyngitis and Cervical Adenitis Syndrome (PFAPA): Eastern Wisconsin. (Poster session.) 2009 Wisconsin Primary Care Research & Quality Improvement Forum, Wisconsin Dells, WI 2009
3. Geographic Distribution of Blastomycosis in Dogs by Season in Northern Wisconsin. (Research session.) 2009 Wisconsin Primary Care Research & Quality Improvement Forum, Wisconsin Dells, WI 2009
4. Faculty Sponsor (and 2nd author) Analyzing Risk Factors for Blastomycosis in Urban Areas. Lemke M [presenter] (co-authored by Brummitt CF, Swain GR, Buggy BP) URISA's 2nd GIS in Public Health Conference,

- Providence, RI 2009
5. Career Path in Family Medicine (co-presented with Turkal N, Bidwell J)
Panel Discussion at the Aurora Third Annual Progress in Primary
Care Conference, Wauwatosa, WI 2009
 6. Geographic Analysis of Attention-Deficit/Hyperactivity Disorder in Children:
Eastern Wisconsin (co-authored by Schreiber A) 36th Annual Meeting
North American Primary Care Research Group, Rio Grande,
Puerto Rico 2008
 7. Faculty Sponsor (and 2nd author) Evaluation of the Diagnosis and Treatment
of Pneumonia in Outpatient Primary Care Patients. Evertsen J (co-
authored by Regnery A, Banerjee I) 36th Annual Meeting North
American Primary Care Research Group, Rio Grande, Puerto Rico 2008
 8. The Microecology of Blastomyces dermatitidis: The Ammonia Hypothesis
Wisconsin Research and Education Network Forum, Wisconsin
Dells, WI 2008
 9. Geographic Analysis of ADHD in Children: Eastern Wisconsin, USA
(co-authored by Schreiber A) Wisconsin Research and Education
Network, Wisconsin Dells, WI 2008
 10. Geographic Distribution of Human Blastomycosis by Season: Northern
Wisconsin (co-presented with Baeseman, Z) (co-authored by
Baeseman Z, Schreiber A) Wisconsin Research and Education
Network, Wisconsin Dells, WI 2007
 11. Center for Urban Population Health – A UWSMPH, UWM, Aurora
Partnership Working Together to Improve the Health of
Communities (co-presented with Evertsen, J) Wisconsin
Research and Education Network, Wisconsin Dells, WI 2007
 12. Faculty Sponsor (and co-author) Weight Loss: Perceptions and Self-
Motivators in Family Medicine Patients (Dr Tracie Dunek),
Wisconsin Research and Education Network, Wisconsin
Dells, WI 2007
 13. Faculty Sponsor (and co-author) Pneumonia, Bronchitis, & URI: Diagnosis
and Antibiotic Use in Primary Care Practices (Jennifer Evertsen),
Wisconsin Research and Education Network, Wisconsin
Dells, WI 2007
 14. The Metabolic Diversity and Microecology of the Fungal Pathogen Blastomyces
dermatitidis, University of Texas Medical School at Houston,
International Symposium: Metabolic Diversity and Genomic
Complexity, Houston, TX 2004
 15. Geographic Information System Analysis of Blastomycosis in Northern
Wisconsin, USA: Waterways and Soil (co-authored by Steber D, Glazier
R, Paretsky DP, Egan G, Baumgardner AM, Prigge D) Wisconsin
Academy of Family Physicians—Research Network, 2004
Research Forum, Waukesha, WI 2004
 16. Geographic Information System Analysis of Blastomycosis in Northern
Wisconsin, USA: Waterways and Soil (co-authored by Steber D, Glazier
R, Paretsky DP, Egan G, Baumgardner AM, Prigge D) 31st Annual
Meeting, North American Primary Care Research Group, Banff,
Alberta, Canada 2003
 17. Gender Disparity in FP Resident Procedural Training (presented by J. Brill)
(co-authored by Brill J, Bhatia S, Baumgardner D) 36th Annual Meeting,
Society for Teachers of Family Medicine, Atlanta, Georgia 2003
 18. An Outbreak of Blastomycosis on an Indian Reservation, USA (co-authored by
Egan G, Giles S, Laundre B) 30th Annual Meeting, North American
Primary Care Research Group, New Orleans, LA 2002
 19. Attempted Isolation of Blastomyces dermatitidis from Northern Wisconsin, USA
Native Shrews (co-authored by Summerbell R, Agrawal B,
Bergeson M, Baumgardner MA) 16th Annual Wisconsin Research

- Network Meeting, Wisconsin Dells, WI 2002
20. Office Sonography workshop (assisted Dresang L, Koch P) 54th Annual Scientific Assembly, Wisconsin Academy of Family Physicians, Wisconsin Dells, WI 2002
 21. An Outbreak of Blastomycosis on an Indian Reservation (co-authored by Egan G, Giles S, Laundre B) 15th Annual Wisconsin Research Network Meeting, Waukesha, WI 2001
 22. Blastomycosis: More Evidence of Exposure Near or in One's Domicile, (co-authored by Paretsky DP) 14th Annual Wisconsin Research Network Meeting, Waukesha, WI 2000
 23. Effect of Labor Epidural Anesthesia on Breastfeeding of Healthy Term Newborns Delivered Vaginally, (co-authored by Fisher M, Muehl P, Pribbenow B) 14th Annual Wisconsin Research Network Meeting, Waukesha, WI 2000
 24. Microecology of Blastomyces dermatitidis, 13th Annual Wisconsin Research Network Meeting, Wisconsin Dells, WI 1999
 25. Quality of Life in Technology-Dependent Children, Receiving Home Care, and Their Families – A Qualitative Study, (co-authored by Burtea ED) 26th Annual Meeting, North American Primary Care Research Group, Montreal, Quebec, Canada 1998
 26. The In-Vitro Isolation of Blastomyces dermatitidis from a Woodpile in Northcentral Wisconsin, (co-authored by Paretsky DP) 12th Annual Wisconsin Research Network Annual Meeting, Appleton, WI 1998
 27. Quality of Life in Technology-Dependent Children, Receiving Home Care, and Their Families – A Qualitative Study, (co-authored by Burtea ED) 12th Annual Wisconsin Research Network Meeting, Appleton, WI (Co-presented with Burtea ED) 1998
 28. Faculty Sponsor (and co-author) An Outbreak of Bell's Palsy at a Free Clinic (Dr Alison Lux), 12th Annual Wisconsin Research Network Meeting, Appleton, WI 1998
 29. Faculty Sponsor (and co-author) A Study to Determine the Extent of Anti-Tetanus Vaccination in the Elderly Patients of an Urban Milwaukee Family Practice Residency Program (Dr Colin Fraser), 12th Annual Wisconsin Research Network Meeting, Appleton, WI 1998
 30. Faculty Sponsor (and co-author) The Pillbox: How Well Are We Educating Our Patients About Their Medications? An All-residency Research Project (Dr E Diana Burtea), 12th Annual Wisconsin Research Network Meeting, Appleton, WI 1998
 31. Quality of Life in Technology-Dependent Children, Receiving Home Care, and Their Families – A Qualitative Study, (co-authored by Burtea ED), Wisconsin Association for Perinatal Care Statewide Perinatal Conference, Appleton, WI 1998
 32. Epidemiology of Human Blastomycosis in Vilas County, Wisconsin II: 1991-96, (co-authored by Brockman K) 11th Annual Wisconsin Research Network Meeting, Appleton, WI 1997
 33. Qualitative Studies of the Ecology of Blastomyces dermatitidis, 10th Annual Wisconsin Research Network Meeting, Wausau, WI 1996
 34. An All-Residency Research Project: Vitamin Use in a Family Practice Residency Clinic (co-presented with Dr Michael D'Amico), 10th Annual Wisconsin Research Network Meeting, Wausau, WI 1996
 35. Blastomycosis in Dogs II: A 15-year Study in an Extremely Highly Endemic Area Near Eagle River, WI (co-presented with Dr Nick Turkal), 9th Annual Wisconsin Research Network Meeting, Wausau, WI 1995
 36. An Introduction to Chaos Theory in Primary Care (Workshop co-presented with Dr Nick Turkal), 8th Annual Wisconsin Research Network Meeting, Wausau, WI 1994
 37. Faculty Sponsor (and second author) Attempted Isolation of Blastomyces

- dermatitidis from Rectal Cultures of Beaver from Northcentral Wisconsin (Dr David Gaus), 8th Annual Wisconsin Research Network Meeting, Wausau, WI 1994
38. Co-faculty Sponsor (and co-author) Hepatitis B Surface Antigen in Pregnant Women: Southeast Wisconsin (Betty Stangl), 8th Annual Wisconsin Research Network Meeting, Wausau, WI 1994
 39. Epidemiology of Canine Blastomycosis in Northcentral Wisconsin, 7th Annual Wisconsin Research Network Meeting, Wausau, WI 1993
 40. Course Planning Committee and Participant (Lecture: Epidemiology of Blastomycosis) Northwoods Conference on Blastomycosis, Eagle River, WI 1993
 41. Panel Discussant, Invitational Seminar on Prenatal Care Coordinator Services in Wisconsin, Wisconsin Department of Health and Social Services, Madison, WI 1993
 42. Course Planning Committee and Participant, Wisconsin Association for Perinatal Care, Invitational Conference on Early Discharge Programs, Lake Geneva, WI 1993
 43. An Outbreak of Human and Canine Blastomycosis, 5th Annual Wisconsin Research Network Meeting, Wausau, WI 1991
 44. Vaginal Infections, Winter Refresher Course for Family Physicians, Medical College of Wisconsin 1990
 45. Vaginal Infections, Theodor Lange May Day conference, UICOM-R, Rockford, IL 1989
 46. Chlamydial Abdominal Pain Syndromes/Roundtable: Medical Precepting, Winter Refresher Course for Family Physicians, Medical College of Wisconsin 1989
 47. Chlamydial Disease in Infants and Children/Neonatal Resuscitation, 8th Annual Pediatric Symposium, Medical College of Wisconsin 1988
 48. Abdominal Pain from Chlamydial Pelvic Infections, Theodor Lang May Day Conference, UICOM-R, Rockford, IL 1988
 49. Constipation, Winter Refresher Course for Family Physicians, Medical College of Wisconsin 1988
 50. The Protean Manifestations of Chlamydial Disease, Theodor Lang May Day Conference, UICOM-R, Rockford, IL 1987
 51. Chlamydial Disease in Adults, Winter Refresher Course for Family Physicians, Medical College of Wisconsin 1987

Poster Presentations at Regional/National/International Meetings:

1. Clinical Criteria Used to Diagnose Pneumonia (co-authored by Evertsen J, Baumgardner DJ, Regnery A, Banerjee I) Aurora Health Care 2009 Quality Roundtable, Brookfield, WI 2009
2. Milwaukee Health Report 2009: Identifying Health Disparities Across SES Groups Using ZIP Code Level Data (co-authored by Chen H, Mori N, Bergstrom J, Baumgardner D, Swain G, Cisler R) Aurora Health Care 2009 Quality Roundtable, Brookfield, WI 2009
3. Milwaukee Health Report 2009: Identifying Health Disparities Across SES Groups Using ZIP Code Level Data (Poster presenter – H. Chen) (co-authored by Chen H, Mori N, Bergstrom J, Baumgardner D, Swain G, Cisler R) University of Wisconsin Population Health Symposium, Madison, WI 2009
4. Geographic Distribution of Human and Dog Blastomycosis by Season in Northern Wisconsin (co-authored by Paretsky D, Baeseman Z, Schreiber A, Vilas County Health Department) University of Wisconsin Population Health Symposium, Madison, WI 2009
5. Prevalence of Periodic Fever, Aphthous Stomatitis, Pharyngitis and Cervical Adenitis Syndrome (PFAPA): Eastern Wisconsin (co-authored by

- Ranade M, Banerjee I, Doniparthi M) University of Wisconsin Population Health Symposium, Madison, WI 2009
6. Blastomycosis in Urban Southeastern Wisconsin (Poster presenter – M. Lemke) (co-authored by Lemke M, Baumgardner D, Brummitt C, Swain G, Buggy B, Meidel J, Baeseman Z, Schreiber A) University of Wisconsin Population Health Symposium, Madison, WI 2009
 7. Microecology of *Blastomyces dermatitidis*: The ammonia hypothesis. X International Congress on Paracoccidioidomycosis, Medellin, Colombia 2008
 8. Geographic Analysis of ADHD in Children: Eastern Wisconsin (co-authored by Schreiber A). Step Forward Together: 2008 Public Health Partners (National) Conference, Madison, WI 2008
 9. Blastomycosis Unearthed: An Outbreak and Environmental Investigation of Blastomycosis in Thunder Bay. 2008 Showcase of Applied Research, St. Joseph's Care Group, Thunder Bay, Ontario, Canada Role: 6th author 2008
 10. Center for Urban Population Health: A Resource for Interdisciplinary and Community-Based Research in Milwaukee (Poster presenter – T. Salm Ward) (co-authored by Salm Ward TS, Lemke M, Frazer D, Cisler RA, Baumgardner DJ, Galvao L) Creating Collaborative Research Conversations Lecture, UW Institute for Clinical and Translational Research, Madison, WI 2008
 11. Health Disparities in Milwaukee by Socioeconomic Status (Poster presenter – G. Swain) (co-authored by Vila PM, Swain GR, Baumgardner DJ, Halsmer SE, Remington PL, Cisler RA) UW Population Health Institute, Improving Wisconsin's Health: Prevention, Policy and Priorities for Research, Waukesha, WI 2007
 12. Geographical Analysis of ADHD in Children: Milwaukee County, WI, USA (Poster) (co-authored by Weimer J, Schreiber A) 35th Annual Meeting, North American Primary Care Research Group, Vancouver, British Columbia 2007
 13. Geographic Analysis of ADHD in Children: Milwaukee County, WI (Oral Presentation) (co-authored by Weimer J, Schreiber A) 2007 Annual Wisconsin Primary Care Research Forum, Wisconsin Research Network Meeting, Waukesha, WI 2007
 14. Blastomycosis in Indoor Cats: Suburban Chicago, IL, USA (Poster Presentation) (co-authored by Blondin N, Moore GE) 2007 Annual Wisconsin Primary Care Research Forum, Wisconsin Research Network Meeting, Waukesha, WI 2007
 15. Blastomycosis in Indoor Cats: Suburban Chicago, IL, USA (Poster) (co-authored by Blondin N, Moore GE, Glickman LT) 34th Annual Meeting, North American Primary Care Research Group, Tucson, AZ 2006
 16. Urban Blastomycosis: A Tale of Two Cities (Poster) (co-authored by Knavel E, Steber D, Swain G) IX International Conference on Paracoccidioidomycosis, Águas de Lindóia – SP, Brazil 2005
 17. Urban Blastomycosis: A Tale of Two Cities (Poster) (co-authored by Knavel E, Steber D, Swain G) 33rd Annual Meeting, North American Primary Care Research Group, Quebec City, Canada 2005
 18. Does Proximity to Clinic Affect Immunization Rates and Blood Pressure? (Poster) (co-authored by Halsmer S, Steber D, Shah D, Mundt M) 32nd Annual Meeting, North American Primary Care Research Group, Orlando, Florida 2004
 19. Attempted Isolation of *Blastomyces dermatitidis* from Northern Wisconsin, USA Native Shrews (Poster) (co-authored by Summerbell R, Krajden S, Agrawal B, Bergeson M, Bemis T, Baumgardner MA) XV ISHAM Congress—International Society for Human and Animal Mycology,

- San Antonio, TX 2003
20. Symptoms of Pulmonary Blastomycosis: Northern Wisconsin, USA (Poster) (co-authored by Halsmer S, Egan G) 30th Annual Meeting, North American Primary Care Research Group, New Orleans, LA 2002
 21. Symptoms of Pulmonary Blastomycosis: Northern Wisconsin, USA (Poster) (co-authored by Halsmer S, Egan G) 16th Annual Wisconsin Research Network Meeting, Wisconsin Dells, WI 2002
 22. Attempted Isolation of Blastomyces dermatitidis from Northern Wisconsin, USA Native Shrews (Poster) (co-authored by Summerbell R, Agrawal B, Bergeson M, Baumgardner MA) VIII International Conference on Paracoccidioidomycosis, Pirenópolis, Goiás, Brazil (accepted, unable to attend) 2002
 23. Effect of Labor Epidural Anesthesia on Breastfeeding of Healthy Term Newborns Delivered Vaginally (Poster) North Central Regional Meeting, Society of Teachers of Family Medicine, Madison, WI 2000
 24. Effect of Labor Epidural Anesthesia on Breastfeeding of Healthy Term Newborns Delivered Vaginally (Poster presented by P. Muehl), Wisconsin Association for Perinatal Care Annual Meeting, Appleton, WI 2000
 25. Asymptomatic Bacteraemia in Pregnancy in an Urban Family Practice Residency Program (Poster), 9th Annual Wisconsin Research Network Meeting, Wausau, WI 1995
 26. An In-Vitro Enrichment for Isolation of Blastomyces dermatitidis from Soil (Poster), 8th Annual Wisconsin Research Network Meeting, Wausau, WI 1994
 27. Practical Field Studies in Family Practice (Poster), 7th Annual Wisconsin Research Network Meeting, Wausau, WI 1993
 28. Blastomycosis in North Central Wisconsin (Poster), 6th Annual Wisconsin Research Network Meeting, Wausau, WI 1992

Continuing Education Presentations:

Invited Off Campus:

1. Molecular Biology of Beginning of Life Medical Ethics, St. Francis Seminary, Summer Symposium, St. Francis, WI 2005
2. More on the Epidemiology and Ecology of Blastomyces dermatitidis - Outbreaks, GIS, and Little Crawly Things, University of Wisconsin School of Veterinary Medicine Seminar Series, Madison, WI 2003
3. Commentator, Poster Session: Epidemiology, 14th Congress of the International Society for Human and Animal Mycology, Buenos Aires, Argentina 2000
4. Guest lecture, Ecology of Blastomyces dermatitidis; Bacteriology 630: Fungal Ecology and Biotechnology, University of Wisconsin-Madison 1999
5. Epidemiology and Ecology of Blastomyces dermatitidis in Wisconsin, University of Wisconsin School of Veterinary Medicine Seminar Series, Madison, WI 1998
6. Blastomycosis, University of Illinois College of Veterinary Medicine, Department of Pathobiology 1991
7. Vaginal Infections, Lakeside Medical Center, Kankakee, IL 1989

Invited Extension:

8. Blastomycosis: The Systemic Fungal Disease of the North (South, East and West...), Trees for Tomorrow Community Lecture, Eagle River, WI 2007
9. Chaos Theory in Primary Care, Richland Center, WI Hospital Grand Rounds 1997

10. Course Co-director, Colposcopy/LEEP, St. Luke's Medical Center 1992
11. Respiratory Therapy in the Birthing Center, St. Luke's Medical Center/
Wisconsin Society for Respiratory Care Conference 1991
12. Obstetrical Emergencies, Emergency Response 90, Parkland (IL)
Community College 1990

Local:

13. Milwaukee Health Report, Aurora Sinai Medicine Grand Rounds,
Milwaukee, WI 2010
14. Geographic distribution of human and dog blastomycosis by season in
northern Wisconsin. The microecology of *Blastomyces dermatitidis*:
the ammonia hypothesis (Rieselbach Scientific Day Distinguished
Paper Session), Aurora Scientific Day, Milwaukee, WI 2009
15. Blastomycosis in urban southeastern Wisconsin (Poster), 2nd author,
Aurora Scientific Day, Milwaukee, WI 2009
16. Prevalence of periodic fever, aphthous stomatitis, pharyngitis and cervical
adenitis syndrome (PFAPA): eastern Wisconsin (presented by
Mona Ranade), Aurora Scientific Day, Milwaukee, WI
Role: 2nd author, faculty co-sponsor 2009
17. Geographic Analysis of ADHD in Children: Eastern Wisconsin
(Rieselbach Scientific Day Distinguished Paper Session),
Aurora Scientific Day, Milwaukee, WI 2008
18. Hepatitis B Vaccine Provision to Milwaukee-Area Infants (presented by
Morgen Alexander-Young) Aurora Scientific Day, Milwaukee, WI
Role: 2nd author, faculty co-sponsor 2008
19. An IRB Member's Hints for Your Next Submission, IRB Round Table
Presentation, Aurora Health Care, Milwaukee, WI 2007
20. Blastomycosis in Indoor Cats: Suburban Chicago, IL (Poster), Aurora
Scientific Day, Milwaukee, WI 2007
21. Health Outcomes and Health Determinants: Differences Among Disparate
Socioeconomic Levels in Milwaukee (Presented by Peter Vila, BS),
Aurora Scientific Day, Milwaukee, WI. Role: 3rd author, faculty
co-sponsor. 2007
22. Geographic Analysis of ADHD in Children: Milwaukee County (Presented
by Jonathan Weimer), Aurora Scientific Day, Milwaukee, WI.
Role: 2nd author, faculty sponsor. 2007
23. Outcomes in Permanent Prostate Brachytherapy as Monotherapy in
Community-Based Practice (Presented by Shannon Offerman, MD),
Aurora Scientific Day, Milwaukee, WI. Role: 4th author,
faculty sponsor. 2007
24. Nutritional Requirements of *Blastomyces dermatitidis* Yeast Forms in
Liquid Media (Presented by Edgardo Benavides, DO), Aurora
Scientific Day, Milwaukee, WI. Role: 2nd author, faculty sponsor. 2007
25. Urban Blastomycosis: A Tale of Two Cities (Rieselbach Scientific Day
Distinguished Paper Session), Aurora Scientific Day,
Milwaukee, WI 2006
26. Does Proximity to Clinic Affect Immunization Rates and Blood Pressure?
(Poster), UW Department of Family Medicine Fall Statewide
Meeting, Madison, WI 2005
