Peer-Reviewed Regional / National / International Lectures, Workshops, etc:

- 6/7/09 "Analyzing Risk Factors for Blastomycosis in Urban Areas" (Lemke M, Baumgardner DJ, Brummitt CF, Swain GR, Buggy BP, Meidl JJ, Baeseman Z, Schreiber MA). *Oral presentation (Lemke) at the Urban and Regional Information Systems Association (URISA) "GIS in Public Health" conference, Providence RI. (Also accepted as "Blastomycosis in Urban Southeastern Wisconsin" for poster session at the November 2009 annual meeting of the North American Primary Care Research Group (NAPCRG), Montreal, Canada.)*
- 10/29/08 "A collaborative multiple stakeholder model for improving public school immunization rates" (Biedrzycki PA, Hagy AM, Murphy MK, Makhorn G, Swain GR). *Breakout session, annual meeting of the American Public Health Association, San Diego, CA.*
- 10/29/08 "Shigellosis outbreak: Lessons learned from a local public health agency response in Milwaukee, WI" (Biedrzycki PA, Hagy AM, Swain GR, Gradus MS, Singh A). *Breakout session, annual meeting of the American Public Health Association, San Diego, CA*
- 9/10-11/08 "Employing the Incident Command System in Response to Outbreaks of Measles and Rubella" (Biedrzycki P, Swain GR, Filmanowicz R). *Poster session, joint annual conference of the National Association of County and City Health Officials (NACCHO) and the Association of State and Territorial Health Officers (ASTHO), Sacramento, CA.*
- 9/10-11/08 "Wisconsin County Health Rankings: A Tool for Population Health Improvement" (Swain GR, Booske B, Athens J, Taylor K, Remington P). *Poster session, joint annual conference of the National Association of County and City Health Officials (NACCHO) and the Association of State and Territorial Health Officers (ASTHO), Sacramento, CA.*

Peer-Reviewed Regional / National / International Lectures, Workshops (continued):

- 9/10/08 "The Measles Conundrum: Leveraging a 20th Century Tool to Battle a 10th Century Disease in the 21st Century" (Wooton W, Schuchat A, Swain GR, Biedrzycki PA, et al.). *Breakout session, joint annual conference of the National Association of County and City Health Officials (NACCHO) and the Association of State and Territorial Health Officers (ASTHO), Sacramento, CA.*
- 11/6/07 "Local public health agency notification and detection during a multi-state e. coli O157:H7 outbreak" (Biedrzycki PA, Hagy AM, Wolters M, Swain GR, Gradus MS, Singh A). *Breakout session, American Public Health Association Annual Meeting, Washington, DC.*
- 12/15/05 "Suspected Widespread Tuberculosis Exposure Within a University Setting: Extensive case-contact investigation & response by a local public health agency." (Swain GR, Biedrzycki P, Hagy AM, Reitl I, Campbell D, Gieryn D, Radmer FA). *Breakout session, American Public Health Association Annual Meeting, Philadelphia, PA.*
- 12/14/05 "Implementing the Incident Command System (ICS) in a local public health agency: Lessons from monkeypox and pertussis outbreaks in Milwaukee, WI. (Biedrzycki P, Swain G, Hagy AM, Wolters M, Gieryn D, Baker B). *Breakout session, American Public Health Association Annual Meeting, Philadelphia, PA.*
- 10/16/05 "Urban Blastomycosis: A Tale of Two Cities" (D Baumgardner, E Knavel, D Steber, G Swain). Poster Presentation, *North American Primary Care Research Group (NAPCRG), Québec City, Canada.* This poster also presented 9/29/05 at the *UW Department of Family Medicine Statewide Meeting, Madison WI,* and 10/2/05-10/5/05 at the *IX International Meeting on Paracoccidioidomycosis, Águas de Lindóia, São Paulo, Brazil.*
- 4/7/05 "Knowledge, Attitudes and Beliefs Regarding HIV in African American STD Clinic Patients" (CD Nettles, EG Benotsch, SD Pinkerton, W DiFranceisco, GR Swain). Poster Presentation, *University of Colorado at Denver and Health Sciences Center's Third Annual Diversity Research Exchange, Denver CO.*
- 6/8/04 "Open Space Technology: A Catalyst for Outcome Planning" (GR Swain, BK Baker, P Fenton, M Monteagudo, SL Foldy). Poster Presentation, *Academy for Health Services Research and Public Policy (AcademyHealth), San Diego CA.* Also presented 6/5/04 at *AcademyHealth's Annual Public Health Services Research Meeting, San Diego CA,* and by BK Baker 3/1/04 at the *American College of Healthcare Executives Annual Congress on Healthcare Management, Chicago IL.*

Peer-Reviewed Regional / National / International Lectures, Workshops (continued):

- 7/29/03 "Alcohol Use Disorders Among STD Clinic Patients: An Opportunity for Synergistic Intervention" (LS Weinhardt, A Zweben, LL Otto Salaj, RA Cisler, DA Barrett, MJ Brondino, P Weston, SC Kalichman, G Swain). Oral Presentation, *2003 National HIV Prevention Conference*, Atlanta GA.
- 3/18/03 "TQI and Transformational Leadership: Use of technology-based 360-degree developmental feedback to support mission, vision, and values" (GR Swain, DB Schubot, BK Baker, M Monteagudo, and SL Foldy). Poster Presentation, *American College of Healthcare Executives Annual Congress on Healthcare Management*, Chicago IL.
- 3/18/03 "The Milwaukee Biosurveillance Project: Developing Community Syndromic Surveillance with Hospital Emergency Departments" (P Biedrzycki, MS Gradus, BK Baker, D Howe, GR Swain). Poster Presentation, *American College of Healthcare Executives Annual Congress on Healthcare Management*, Chicago IL.
- 6/22/02 "The Milwaukee Center for Emergency Public Health Preparedness: Improving Health Communications for Bioterrorism and Other Emergencies (B Baker, G Swain, S Foldy, et al.). Poster presentation, *Annual Public Health Services Research Meeting, Academy for Health Services Research and Public Policy*, Washington DC
- 4/19/02 "Vaginitis as a Predictor of Chlamydial or Gonococcal Cervicitis" (G Swain, C Corning, L Connors, N Buerstatte, and J Pfister). Poster Presentation, *Beaumont Society Research Day, George Washington University*, Washington DC
- 7/10/01 "Evidence of a Brief Surge in Condom Use Among Those Recently Tested for HIV" (W DiFranceisco, S Pinkerton, G Swain, R Dyatlov). AIDS IMPACT Conference, Brighton England
- 7/9/01 "Who Gets Tested for HIV? A Comparison of American and Russian STD Clients" (W DiFranceisco, S Pinkerton, G Swain, R Dyatlov). AIDS IMPACT Conference, Brighton England
- 12/7/00 "Trends in Safer Sex Behavior Following HIV Testing" (W DiFranceisco, S Pinkerton, G Swain, R Dyatlov). Breakout Session, *Centers for Disease Control and Prevention's 2000 National STD Prevention Conference*, Milwaukee WI
- 9/26/99 "Resident Physician Well-Being: Results from a National Survey" (with B Wolf and E Weiner). Workshop, *20th Annual Hinsdale Family Practice Residency's Forum for the Behavioral Sciences in Family Medicine*, Hinsdale, IL

Peer-Reviewed Regional / National / International Lectures, Workshops (continued):

- 7/12/99 "Use of Rapid Methods for Detecting *Chlamydia trachomatis* Infection in Women Attending an STD Clinic" (J Pfister, R McDonald, G Swain, et al.). Platform presentation, *International Society for Sexually Transmitted Disease Research*, Denver CO
- 5/20/98 "Comparison of Abbott LCx Ligase Chain Reaction with Culture for the Detection of *Chlamydia trachomatis* and *Neisseria gonorrhoeae* in Endocervical Specimens" (S Kehl, K Georgakas, et. al). Abstract presentation, American Society for Microbiology Annual Meeting, Atlanta GA.
- 4/24/98 "Self-Attributed Factors Leading to Physicians' Psychological Well-Being" (with E Weiner). Poster presentation, *Society of Teachers of Family Medicine Annual Meeting*, Chicago IL
- 4/24/98 "Public Health Modules for Community Medicine Rotations" (with P Hunter, J Brill, et. al). Roundtable discussion, *Society of Teachers of Family Medicine Annual Meeting*, Chicago IL
- 3/7/97 "Healthy Healers" (with E Weiner). *Society of Teachers of Family Medicine Annual Family in Family Medicine Conference*, Kiawah Island, SC
- 4/29/96 "Collaborative Live Supervision" (with E Weiner). Special topics breakfast, *Society of Teachers of Family Medicine Annual Conference*, San Francisco, CA
- Various "Family Medicine / Family Systems Case Consultation: a collaborative model" (with E Weiner):
- 10/25/93: *University of Rochester Medical Center's Partnerships in Health Care: The Means To Effective Reform Symposium*, Rochester, NY
 - 9/20/93: *Hinsdale Family Practice Residency's Forum for the Behavioral Sciences in Family Medicine*, Hinsdale, IL
 - 4/16/96: *Wisconsin Association for Marriage and Family Therapy Annual Conference*, Milwaukee WI

Invited Regional / National / International Lectures, Workshops, Site Visits (selected):

- 5/28/08 "Measles Outbreak: Local Public Health Perspectives." Interactive webinar sponsored by the National Association of County and City Health Officials (NACCHO). ~80 participants nationwide.

Invited Regional / National / International Lectures, Workshops, Site Visits (continued):

- 10/3/07 "Gonorrhea Trends, Drug Resistance, Local Response." National Continuing Education Teleconference sponsored by *Health Care Education and Training (HCET)*. ~100 participants nationwide.
- 9/19/05 "Public Private Partnerships for Health." Site visit by leaders of Russian Non-governmental Organizations, sponsored by Open World 2005, *City of Milwaukee Health Department*, Milwaukee WI
- 6/6/05 "Emergency Preparedness, Communicable Disease, and Immunizations." Site visit by health officials from the Republic of Georgia, *City of Milwaukee Health Department*, Milwaukee WI
- 12/16/04 "360-degree Feedback Systems in a Local Health Department." Site visit at the *Los Angeles County Health Department*, Los Angeles, CA.
- 11/3/01 "Careers in Community Medicine and Public Health" (with P Hunter). Breakout session, *American Medical Student Association (AMSA) Regions IV and VI Annual Fall Conference*, Milwaukee WI
- 2/25 - 3/2/01 Site Visit, Cincinnati Health Department's CDC-funded *Public Health Region V STD/HIV Prevention Training Center*, Cincinnati OH
- 3/11/99 "Medical Student Research in a Public Setting: Determining Optimal Location for Obtaining Vaginal Wet Prep Specimens" (with J Gabrys). Platform presentation, *49th Annual American Medical Student Association Annual Convention*, Chicago IL
- 8/19/94 "The Role of Primary Care in the US Health Care System." Seminar for Russian hospital directors sponsored by the *Milwaukee International Health Training Institute*, Milwaukee WI

Peer-reviewed State and Local Lectures, Workshops (selected):

- 7/9/09 "The Wisconsin Center for Health Equity: Policy and Partnerships to Address the Socioeconomic Determinants of Health" Breakout session (~80 attendees), *Wisconsin Public Health Association (WPHA) and Wisconsin Association of Local Health Departments and Boards (WALHDAB) joint annual meeting*, Appleton WI.
- 4/17/08 "Human Papillomavirus" Breakout presentation, *Wisconsin Chapter of the American Society for Clinical Laboratory Science's annual convention*, Pewaukee WI.

Peer-reviewed State and Local Lectures, Workshops (continued):

- 11/29-30/07 "Health Disparities in Milwaukee by Socioeconomic Status" (PM Vila, GR Swain, DJ Baumgardner, SE Halsmer, PL Remington, and RA Cisler). Poster Presentation, *UW Population Health Institute Biennial Conference: Improving Wisconsin's Health*, Waukesha WI. *This paper was also presented on 5/23/07 at a breakout session of the Wisconsin Public Health Association (WPHA) and Wisconsin Association of Local Health Departments and Boards (WALHDAB) joint annual meeting, Appleton WI.*
- 2/4/05 "The Blind Men and the Elephant: What's Up in Public Health?" *Department of Family and Community Medicine's Annual Winter Refresher course, Medical College of Wisconsin, Milwaukee WI*
- 5/19-21/03 "TQI and Transformational Leadership: Use of technology-based 360-degree developmental feedback to support mission, vision, and values" (GR Swain, DB Schubot, BK Baker, M Monteagudo, and SL Foldy). Poster Presentation, *Wisconsin Public Health Association Annual Meeting, Milwaukee WI.*
- 5/19-21/03 "The Milwaukee Biosurveillance Project: Developing Community Syndromic Surveillance with Hospital Emergency Departments" (P Biedrzycki, MS Gradus, BK Baker, D Howe, GR Swain). Poster Presentation, *Wisconsin Public Health Association Annual Meeting, Milwaukee WI.*
- 5/19-21/03 "The *No Condom? No Way!* Program" (K Blair, D Davidson, A Doczy, J Hanus, E Holder, J Rach, S Senaya, S Sheppard, GR Swain). Poster Presentation, *Wisconsin Public Health Association Annual Meeting, Milwaukee WI.*
- 1/29/03 "Immunization Update" (with E DeLeo). *Department of Family and Community Medicine's Annual Winter Refresher course, Medical College of Wisconsin, Milwaukee WI* (Also 1/30/02 with MJ Hotelling, 2/1/01 with R Chalhoub).
- 5/20/02 "The Milwaukee Center for Emergency Public Health Preparedness: Improving Health Communications for Bioterrorism and Other Emergencies (G Swain, B Baker, S Foldy, et al.). Poster presentation, Department of Family and Community Medicine Annual Research Forum, Medical College of Wisconsin, Milwaukee WI (also 5/19-21/03 at the *Wisconsin Public Health Association Annual Meeting, Milwaukee WI*)
- 2/2/01 "Outbreak! Will Primary Care and Public Health Respond Together?" (with S Foldy, K Blair, and A Burdett). *Department of Family and Community Medicine's Annual Winter Refresher course, Medical College of Wisconsin, Milwaukee WI*

Peer-reviewed State and Local Lectures, Workshops (continued):

- 10/19/00 "The Demographic Correlation to Determinants of Selection of Particular Clinic Sites for STD Patients" (with M Kirsch). Poster presentation, *9th Annual Student Research Day, Graduate School of Biomedical Sciences, Medical College of Wisconsin, Milwaukee WI* (Repeated 10/20/00)
- 10/7/99 "Determinants of Selection of Particular Clinic Sites for STD Patients" (with M Kirsch). Poster presentation (received "Outstanding Poster" award), *8th Annual Student Research Day, Graduate School of Biomedical Sciences, Medical College of Wisconsin, Milwaukee WI* (Repeated 10/8/99)
- 6/7/99 "Presence of Vaginitis as a Predictor of Chlamydia Trachomatis or Gonococcal Cervicitis in Women Attending a Sexually Transmitted Disease Clinic" (with L Conners, J Pfister, et. al.). Platform Presentation, *Department of Family and Community Medicine 8th Annual Research Forum, Medical College of Wisconsin, Milwaukee WI*
- 9/28/98 "HIV Pre-test Counseling; Program Implementation and Evaluation" (with D Davidson and J Gabrys). Platform presentation, *WI State Division of Health Annual AIDS/HIV Program Conference, Middleton WI*
- 12/4/97 "Protecting Health Care Workers at Risk for TB" (with K Pease). Platform presentation, *University of Wisconsin - Milwaukee School of Nursing's Tuberculosis Update Conference, Milwaukee WI*
- 10/25/97 "Self-Attributed Factors Leading to Physicians' Psychological Well-Being" (with E Weiner). Platform presentation, *Wisconsin Research Network Annual Conference, Appleton WI*
- 10/24/97 "Vaginal Wet Preparations: Optimal Location for Specimen Collection" (with J Gabrys). Platform presentation, *Wisconsin Research Network Annual Conference, Appleton WI*
- 6/9/97 "Reducing Congenital Syphilis Incidence in Milwaukee: A Public / Private Partnership" (with S Kowalewski and D Schubot). Poster presentation, *Department of Family and Community Medicine 6th Annual Research Forum, Medical College of Wisconsin, Milwaukee WI*
- 1/31/97 "Public Health Update" (with P Havens, S Foldy, P Hunter, et al). *Dept. of Family and Community Medicine's 27th Annual Winter Refresher Course for Family Physicians, Medical College of Wisconsin, Milwaukee WI*

Peer-reviewed State and Local Lectures, Workshops (continued):

- 10/25/96 "Smoking Cessation Intervention Practices of Maternity Care Providers" (with A Helwig and M Gottlieb). Platform presentation, *Wisconsin Research Network Annual Conference*, Stevens Point, WI. Also 6/3/96 platform presentation, *Department of Family and Community Medicine Annual Research Forum*, Medical College of Wisconsin, Milwaukee WI
- 10/25-26/96 "Collaborative Live Supervision" (with E Weiner and L Scarpinato), poster presentation, *Wisconsin Research Network Annual Conference*, Stevens Point, WI
- 6/5/95 "CEC: A Model for Interdisciplinary Education of Health Professions Students in a Family Practice Setting" (with MA Lough, et al.). Poster session, *Department of Family and Community Medicine 4th Annual Research Forum*, Medical College of Wisconsin, Milwaukee WI. Also 11/3/94 platform presentation, *Marquette University College of Nursing's Annual Clinical Nursing Institute*, Milwaukee WI, and 10/22/93 poster session, *Wisconsin Nurses' Association Annual Convention*, Stevens Point, WI
- 6/7/94 "Resident Centered Case Consultations: A Collaborative Model" (with E Weiner). *Department of Family and Community Medicine's annual Research Forum*, Medical College of Wisconsin, Milwaukee WI

Invited State and Local Lectures, Workshops, Site Visits:

Over 98 presentations since 1991 on multiple topics, including:

- Immunizations and Vaccine-Preventable Illnesses
- Sexually Transmitted Diseases
- Outbreak Management and Response
- Emergency Preparedness and Pandemic Influenza Preparedness
- Public Health / Population Health Overview
- Public Health as a Career
- Public Health Roles for Primary Care Physicians
- Physicians as Policy Change Advocates
- Urban Blastomycosis
- Participative Leadership and 360-degree Feedback
- Academic Health Department role in Public Health Education and Workforce Development
- Health Disparities, Health Equity, and the Social and Economic Determinants of Health

UW Supervisory Activities:

- 8/09 - Supervision of Paul Hunter, MD, UW Assistant Professor of Family Medicine and MHD Associate Medical Director. Dr. Hunter is assuming responsibility for medical aspects of MHD's sexually transmitted disease and immunization programs, as well as for some teaching and research at MHD and at the Center for Urban Population Health.
- 10/06 - Supervision of Barbra Beck, PhD, Public Health Training and Education Coordinator. Dr. Beck, a UW Academic Staff member, is responsible for successful field placements for Milwaukee-based UW MPH students and UW Population Health Fellows.

UW-Madison and UW-System Teaching:

- 4/06 - Program Faculty, UW Master of Public Health Program. ("Program faculty ... contribute substantively to the MPH program through teaching, mentoring, and service"; renewable 3-year appointment)
- 9/05 - Small Group Discussion Leader, *PHS 780 Public Health Principles and Practices*. Fall Semester: 75-minute sessions, 15-18 MPH-program students per session. Madison, WI. Also includes active participation in the on-line segment of the course. (6 sessions 2005; 8 sessions 2006; 7 sessions 2007; 4 sessions as backup instructor / panelist 2008; 11 sessions planned for 2009)
- 9/04 - Field Supervisor, MHD Site, UW Population Health Practice Fellowship Program. Provide expertise, guidance, research opportunities, and networking links for Program Fellows over a 2-year period. (1-2 new Fellows per year)
- Multiple "Integrative Case" teaching for UW M-1s
- April 2-3, 2009. Facilitator
 - October 2-3, 2008. Facilitator and Final Plenary Panelist
- 10/13/08 "Sexually Transmitted Diseases." Guest Lecture for *PHS 904 Special Topics in Epidemiology – Infectious Disease*. Madison, WI (~30 undergraduate and masters students). Also presented 9/10/07.
- 11/07 - 6/08 Mentor, Anne Huber, UW MPH student
- 1/08 - 10/08 Thesis Committee, Maureen Bezold, MPH candidate, UW La Crosse.
- 5/18/08 Milwaukee Site Host, The Survey of the Health of Wisconsin Research Symposium, simulcast from UW-Madison to UW-Milwaukee.

UW-Madison and UW-System Teaching (continued):

- 4/30/08 "Measles and Rubella Outbreak in Milwaukee" *Aurora / UW St. Luke's Family Practice Residency*, Milwaukee Wisconsin. (~20 residents, medical students, and faculty)
- 4/22/08 "Poverty and Public Health." Guest speaker / discussion leader, UW-Milwaukee History 460, History of Poverty in America.
- 7/07 - 3/08 Thesis Committee, Kaija Zusevics, MPH candidate, UW La Crosse.
- 10/18/07 "Upstream Determinants of Health." Guest speaker / discussion leader. UW SMPH PHS650 Section 037-038, Introduction to Public Health Seminar
- 3/14/07 "Public Health Outcomes in Milwaukee" *Aurora / UW St. Luke's Family Practice Residency*, Milwaukee Wisconsin. (~20 residents, medical students, and faculty)
- 2/15/06 "Environmental Aspects of Infectious Diseases." Guest lecture for UW – Madison course PHS-EnvSt 471 "Introduction to Environmental Health," Madison WI. (~110 upper-class undergraduates and masters students)
- 9/28/05 "Vaccine Preventable Illness." Guest Lecture for Dr. Christine Arcari's course *PHS 904.001 Special Topics in Epidemiology – Infectious Disease*. Madison, WI (~30 undergraduate and masters students)
- 8/30/05 "Public Health Overview, Partnership with Family Physicians." Lecture/discussion for 4 residents, *St. Luke's Family Medicine Residency Program*, Milwaukee WI
- 7/11/05 "The Connection Between Community Physicians and Local Public Health." Lecture/discussion for 4 fourth-year UW medical students, *City of Milwaukee Health Department*.
- 2/14/05 "Chlamydia Testing: Laboratory vs. Point-of-Care Methods" (presentation of paper co-authored with RA McDonald, JR Pfister, GV Sedmak, and A Singh). *UW Medical School, Department of Population Health Sciences' Monday Seminar Series*, Madison WI. This lecture also available as audio broadcast on the Internet (last accessed 11/6/05), at <http://www.pophealth.wisc.edu/pastseminar.htm>

Other Teaching (selected):

- 1/01 - Resource Faculty for the MCW Center for AIDS Intervention Research (CAIR) NRSA Postdoctoral Research Training Program in HIV Prevention, and CAIR "Affiliated Investigator" (since 9/00) Provide expertise, guidance, research opportunities, and networking links for Program Fellows. (CAIR is funded by the National Institutes of Mental Health.) *Department of Psychiatry and Behavioral Medicine, Medical College of Wisconsin.*
- 1/94 – Preceptor / rotation coordinator for pre-medical students, medical students, residents (Family Medicine, Internal Medicine, and Preventive Medicine), and nurse-practitioner students: general public health issues, public health administration, public health research, and the relationship between community providers and local public health departments. Approximately 1 student or resident (8 hours) every 1-3 months, in cooperation with MHD professional staff.
- 1/94 - 8/09 Preceptor / rotation coordinator for medical students, residents (Family Medicine, Internal Medicine, and Preventive Medicine residents, and Infectious Disease Fellows), and nurse-practitioner students in clinical management of sexually transmitted diseases. Approximately 1 student or resident (32 hours) every 3 months, in collaboration with MHD professional staff.
- 5/09 - 6/09 Preceptor, Walter Reed Army Institute of Research (WRAIR) General Preventive Medicine Resident (Jaspal Ahluwalia), focus on Sexually Transmitted Diseases and Pandemic Preparedness.
- 6/05 - 7/05 Preceptor, MCW General Preventive Medicine Resident, focus on Sexually Transmitted Diseases and Emergency Preparedness.
- 1/02 - 6/03 Faculty Advisor, MCW Student Chapter of the American Medical Student Association (AMSA). Provide expertise, informal guidance, and networking links for Student AMSA members.
- 11/01 - 6/03 Faculty Advisor, MCW Student Chapter of Physicians for Social Responsibility (PSR). Provide expertise, formal guidance, and networking links for Student PSR members.
- 4/03 Preceptor, MCW Fourth-Year Elective: Promoting Health in Underserved Communities. Department of Family and Community Medicine, Center for Healthy Communities. Guided a visiting M-4 in developing community-appropriate educational talks on public health issues.

Other Teaching (continued):

- 12/98 - 1/03 Research Preceptor, MCW Medical Student Summer Research Program (formerly the Summer Program for Undergraduate Research "SPUR"), MCW Graduate School for Biomedical Sciences. One student (approximately 50 hours) per year. At least one student (M Kirsch) graduated "with research honors" as a result of my involvement in this program.
- 4/02 - 1/03 Curriculum Development Committee, Division of Community Health Programs, Department of Family and Community Medicine, MCW. Developed (with S Beversdorf and S Robert) curricular component on Social and Economic Factors That Influence Health, and assisted with development of other community-related curricular components of the required month-long M-3 Family Medicine rotation.
- 1/02 - 6/02 Faculty Advisor, two MCW M-3 medical students. Provide formal guidance for career planning and fourth-year schedule planning. Continued advising for one of these students regarding residency choices, interviewing, etc., throughout her M-4 year (through 5/03).
- 11/99 - 6/01 Formal mentor (MCW Faculty Development Program) for a junior MCW faculty member (D Patel). Approximately 1-2 hours per month.
- 9/97 - 4/02 Small Group Leader, MCW M-1 Medical Information Management (Biostatistics) course. Approximately 20 students (20 hours) per year through 6/00, approximately 20 students (5) hours per year since 7/00.
- 1/96 - 11/00 "Introduction to Public Health - The Relationship Between Practicing Community Physicians and the Local Health Department." Lecture / seminar for MCW 3rd year medical students beginning their pediatrics rotation. Approximately 40 students (1 hour) every 2 - 4 months.
- 5/97 - 5/00 Formal mentor and research preceptor for a premedical student from Marquette University (J Gabrys). Approximately 1 hour per week.
- 9/98 - 5/99 Formal mentor and research preceptor for a premedical student from Carroll College (L Conners). Approximately 1 hour per week.
- 2/98 Instructor for M-2 Pelvic Exam Skills at MCW. Two sessions: 2/19/98 and 2/26/98. Approximately 4 students (3 hours) per session.
- 3/91 - 6/96 Family Medicine / Family Systems Case Consultation: bimonthly multidisciplinary consultation supporting management of difficult cases for St. Mary's Family Practice PGY-2 residents. Approximately 6 residents (20 hours) per year.

Other Teaching (continued):

- 9/90 - 6/95 Clinical teaching of residents and medical students at St. Mary's Family Practice Residency: noon conferences, chart reviews, grand rounds, etc.
- 10/90 - 1/94 Predoctoral Site Coordinator, MCW M-3 Ambulatory Medicine rotation and M-4 Family Medicine Elective Rotation at St. Mary's Family Medicine Residency Center. Curriculum development, scheduling, orientation, clinical precepting, formative feedback, and summative feedback for M-3 medical students. Orientation, monitoring, and feedback for the students' other clinical preceptors.
- 9/90 - 6/92 Curriculum development for inpatient teaching for residents at St. Mary's Family Practice Residency. Lead author (with M Goulais) of Community Hospital Pediatrics Curriculum for Family Practice Residents (c. 1992, MCW/St. Mary's Family Practice Residency Program).
- Multiple Instructor for MCW M-1s and M-2s at Isaac Coggs Clinic Training Workshop. Training medical students in history taking, vital signs measurement, and basic physical exam skills. Dates: 5/11/95, 5/9/94, 5/19/93, 12/2/92. Approximately 8 students (3 hours) per session.

Media Appearances:

Over 70 media appearances since 1993 including Milwaukee daily and weekly newspapers (and their associated websites), multiple Milwaukee news-focused and community-focused radio stations, Wisconsin Public Radio, Wisconsin Public Television, Milwaukee Access Cable TV, and all local Milwaukee-area TV stations, on topics including:

- Sexually transmitted diseases, including high rates, drug resistance, teens and STDs, HPV and HPV-vaccine, sex education, racial disparities in STDs, HIV, and syphilis and congenital syphilis
- Regional Outbreaks (including monkeypox, pertussis, mumps, measles, rubella, E coli, enterovirus, salmonella, novel H1N1 influenza pandemic) and other Public Health Emergencies (including management of Hurricane Katrina evacuees)
- Immunizations, Immunization School Requirements, Vaccine Shortages
- Health Disparities and Socioeconomic Status
- Fluoride in Water
- Tuberculosis
- Heat Waves and Health
- Antibiotic and Antiviral Drug Resistance
- Wellness and Preventive Medicine
