TEACHING ACTIVITIES

Medical School / Hospitals

- 1996 - 2002 *Coordinator and Preceptor*, Community Medicine Rotation Track of the Columbia Family Practice Residency. Required, month-long rotation including home visits on my panel of about a dozen homebound patients, the Public Health Modules above, and other activities. In addition to 6 residents per year, 1-2 medical students year also elected a similar experience. Milwaukee, WI.
- 1996 - 2002 *Coordinator*, Public Health Modules for Community Medicine Rotations, Medical College of Wisconsin (MCW). Half-day experience for medical students and residents learning about "Tuberculosis", "Lead Poisoning", "Public Health in Medical Practice", Homeless Health at Salvation Army." Over 25 family medicine residents and over 5 medical students. Milwaukee, WI.
- 1996 - 1999 *Coordinator, Preceptor and Faculty Advisor*, Urban Health Care Track of the Columbia Family Practice Residency at Martin Luther King-Heritage Health Center. Faculty mentor and clinical supervisor for one resident per year with the goal of preparing residents for the unique challenges of working in federally-qualified Community Health Centers. Milwaukee, WI.
- Dec 2009 *Activity Presenter and Small Group Facilitator*, M2 Integrative Case on Preventing and Reducing Obesity. UW SMPH. Presented "Changing local food distribution to increase access to health: the Milwaukee experience," to 10 students. Facilitated small group (35 students) discussion and voting on public policy proposals. Madison, WI
<http://www.med.wisc.edu/education/md/curriculum/integrative-cases/1231>
- Dec 2009 *Course Planning and Small Group Facilitator*, M2 Integrative Case on Tuberculosis. UW SMPH. Recruited and prepared manager of and medical consultant to Tuberculosis Control Clinic of the City of Milwaukee Health Department for their teaching activities. Facilitated small group (35 students) discussion of several cases of tuberculosis. Madison, WI Madison, WI
- 2009 - 2010 *Facilitator*, Coordinated the recruitment, scheduling, and training and of volunteers at H1N1 influenza vaccination clinics run by the City of Milwaukee Health Department. Approximately 25 medical student volunteers and 5 faculty members from MCW and UW SMPH and about 6 pre-med students from the UW - Milwaukee (with EMT and CNA certification) provided about 3% of vaccinations given. Milwaukee, WI.
- 2009 - present *Preceptor*. Mobile Market Interns. Registered 5 undergraduate students with the City of Milwaukee Health Department as official interns. Students are from UW-Milwaukee, UW - LaCrosse, Mount Mary, and Marquette. Instructed them on logic models and edited their logic model into first draft of Baldwin grant. Prepare and assign students to attend and report on meetings by community leaders about nutrition policy in Milwaukee.

- 2009 - present *Small Group Discussion Leader*, Population Health Studies 780, Public Health: Principles and Practice,. University of Wisconsin School of Medicine and Public Health, Madison, WI.
http://www.pophealth.wisc.edu/PopHealth/files/file/Current_Students/Grad/Syllabi/810-780%20F08.pdf
- 1 / 2010 - 5 / 2011 *Community Preceptor* M3-M4 in TRIUMPH (Training in Urban Medicine and Public Health). Met weekly to supervise his community project supporting the Mobile Market at the South Side Health Center of the City of Milwaukee Health Department. University of Wisconsin School of Medicine and Public Health, Madison, WI.
<http://www.med.wisc.edu/education/md/triumph/main/681>
- Summer 2010 *Preceptor*, Community Health Internship Program, Milwaukee Area Health Education Center. Developed summer project on evaluating the potential role of pre-medical student volunteers in coordinating prescription assistance programs in free clinics in Milwaukee. Met weekly with 3 pre-med students from UW - Milwaukee, Madison, and Platteville and edited their required presentations to their peers. <http://milwaha.org/job-seekers/training/117-community-health-intership-program-chip.html>
- Summer 2010 *Preceptor* Schapiro Summer Research Program intern. Met weekly to review progress on 1) literature review on nutrition education in community settings and 2) meeting with members of the Technical Advisory Board for the Baldwin grant. Provided advice professional development during shadowing at hospital and nursing home.
