

Education

University of Wisconsin – Madison ‘14
Madison, WI
Masters of Public Health

University of Wisconsin – Madison ‘12
Madison, WI
BS Medical Microbiology and Immunology

Work Experience

University of Wisconsin-Madison, School of Medicine and Public Health

Milwaukee, WI

May, 2017 – Present

Honorary Associate Appointment – Acknowledgement of collaborative work within the Aurora University of Wisconsin Medical Group, Center for Urban Population Health, and Department of Family Medicine and Community Health

- Mentors and supports research projects of medical students, residents, and fellows in a variety of programs

Aurora Sinai Medical Center

Milwaukee, WI

April, 2017 – Present

Manager of Translational Research – Aurora University of Wisconsin Medical Group and Center for Urban Population Health

- Oversees and facilitates research studies as it relates to project initiation, implementation and finalization
- Obtains Institutional Review Board (IRB) approval and further monitors research to ensure compliance with IRB regulations and policies
- Serves as an IRB Biomedical Member
- Collaborates with investigators and research team on abstract and manuscript write up for publication
- Provides progress and annual reports on research activities
- Performs human resource responsibilities for staff
- Continue to mentor intern(s) in research techniques through the Aurora Research Institute and Summer Student Research Clinical Assistantship with the University of Wisconsin School of Medicine and Public Health

Aurora Sinai Medical Center

Milwaukee, WI

May, 2014 – April, 2017

Research Associate, Senior –Aurora University of Wisconsin Medical Group and Center for Urban Population Health

Jessica J. F. Kram, MPH

Phone: (414)219-5594 • Email: jessica.kram@aurora.org

- Facilitate and coordinate the design and development of study protocols
- Obtain IRB approval on studies
- Collaborate with healthcare professionals for project implementation and enrollment of subjects
- Work in partnership with Aurora Research Analytics to obtain and collect data
- Disseminate findings through oral or poster presentations
- Collaborate on abstract and manuscript write up and publication
- Responsible for managing multiple projects at any given point in time
- Mentor intern(s) in research techniques through the Aurora Research Institute and Summer Student Research Clinical Assistantship with the University of Wisconsin School of Medicine and Public Health

University of Wisconsin-Madison, School of Medicine and Public Health

Department of Population Health Sciences

Madison, WI

August, 2013 – February, 2014

Teaching Assistant – Principals and Practice of Public Health

- Responsible for grading, emailing students and faculty, and obtaining supplies for discussion
- Leader for some discussion sections

State of Wisconsin Division of Public Health

Madison, WI

January, 2013 – May, 2014

Fieldwork Experience - Emergency Preparedness and Prevention Program

- Researched CRE and prevention measures currently in place
- Created educational materials on CRE prevention in both acute and long-term care facilities
- Evaluated effectiveness of materials created

State of Wisconsin Division of Public Health

Madison, WI

January, 2011 – May, 2014

Data Analyst- TB and Refugee Health Program

- Data entry relating to LTBI cases in WEDDS and Nurse Case Manager
- Responsible for incoming refugees and local health department notification
- Analyzed data and prepared presentations related to refugee populations within the State of Wisconsin
- Trained in Access and Excel programs
- Supervised incoming student interns

Biological Magnetic Resonance Data Bank

Madison, WI

April, 2011 – August, 2012

Jessica J. F. Kram, MPH

Phone: (414)219-5594 • Email: jessica.kram@aurora.org

Student Researcher

- Collect, correct, archive and disseminate NMR of macromolecules
- Trained in Linux systems
- Programmed metabolomics website page using html code
- Research related to metabolomics pathways and disease association

University of Wisconsin-Madison Hospital

Madison, WI

September, 2010 – December, 2010

Internship – Comprehensive Cancer Center

- Independently prepared ELIZA Assays related to VEGF research
- Data input for patients and study
- Conducted gel electrophoresis and PCR on patient DNA

Fieldstone Glass, Pools, and Spas

Oconomowoc, WI

June, 2003 – May, 2014

Retail Sales Representative / Laboratory Technician

- Verbalized information related to water balance in pools based on information collected from Titrant tests and UDV Micro-processing color meters

Professional Memberships

Aurora Institutional Review Board Biomedical Member, September, 2016 – Present

Wisconsin Research and Education Network (WREN), September, 2014 – Present

North American Primary Care Research Group (NAPCRG), August, 2014 - Present

Scholarly Activities

Expert Services:

Moderator at NAPCRG Conference. Session: Obesity, Exercise, and Nutrition. November 12-17 2016. Colorado Springs, Colorado.

Moderator at NAPCRG Conference. Session: Health Care Delivery/Health Services Research. October 24-28 2015. Cancun, Mexico.

Wisconsin Medical Journal Reviewer. June, 2015- Present. Madison, WI.

Moderator at NAPCRG Conference. Session: Infectious Disease 1. November 21-25 2014. New York, NY.

Jessica J. F. Kram, MPH

Phone: (414)219-5594 • Email: jessica.kram@aurora.org

Expert Panelist at UW-Madison MPH Core Day. Session: Table Top Exercise – Take a Shot at Stopping the Flu. October, 2014. Madison, WI.

Aurora Scientific Day Committee Member. May, 2014 – Present. Milwaukee, WI.

J Patient-Centered Res Rev Reviewer. May, 2014 - Present. Milwaukee, WI.

Mentorship:

Brian Hoeynck, Summer 2017. Second year Medical Student. Aurora Research Institute.
Geodemographic Distribution of Cryptococcal Infections in an Integrated Medical System.

Megan Huber, Summer 2015. Junior (Undergraduate). Aurora Research Institute.
Geodemographic features of human Blastomycosis in eastern Wisconsin.

Courtney Pokrzywa, Summer 2015. Second year Medical Student. Summer Student Research Clinical Assistantship with the University of Wisconsin School of Medicine and Public Health.
Use of opioids in chronic, non-cancer pain management.

Kristin Magliocco, Summer 2014. Second year Medical Student. Summer Student Research Clinical Assistantship with the University of Wisconsin School of Medicine and Public Health.
Disease-management and financial implications of the addition of a health coach/nutritionist in two family medicine clinics.

Awards/Honors

Community Hospital Award - Oral Presentation. Behrens JA, Greer DM, **Kram JJF**, Schmit EJ, Forgie MM, Salvo NP. How long is too long? Management of the third stage of labor in second trimester deliveries. Presented to Behrens JA from the Central Association of Obstetrics and Gynecology Annual Meeting. October 20, 2017. Scottsdale, AZ.

Grant Awardee for Aurora Cancer Care Research Award. Greer DM, **Kram JJF**, Kamelle S, Dickson Michaelson E, Shukla A, Baugh DL, Bamra V, Nazeer SA, Hu J, Aoy P, Warzinski CL, Robinson L. Feasibility of accurate tumor diameter & myometrial invasion measurement via preoperative magnetic resonance imaging in endometrioid endometrial cancer. Presented to Greer DM and Colleagues by Aurora Research Institute. May 26, 2017. Milwaukee, WI.

Aurora Scientific Day 2nd Place Judged Poster Presentation. Kotovicz F, Arizmendez N, Chandler S, Perry A, Kram JJF, Baumgardner DJ. Impact of primary care provider education on appropriate level of opioid prescription for chronic noncancer pain (CNCP). Presented to Kram JJF at Aurora Health Care Scientific Day. May 24, 2017. Milwaukee, WI.

Aurora Scientific Day 2nd Place Judged Oral Presentation. Behrens JA, Greer DM, **Kram JJF**, Schmit EJ, Salvo NP. How long is too long? Management of the third stage of labor in second trimester deliveries. Presented to Behrens JA at Aurora Health Care Scientific Day. May 24, 2017. Milwaukee, WI.

Jessica J. F. Kram, MPH

Phone: (414)219-5594 • Email: jessica.kram@aurora.org

Rieselbach Distinguished Paper Session – Oral Presentation. Stanenas SM, Greer DM, **Kram JFF**, Tjoe JA, Dorton B. Hormonal contraception and therapy use in breast cancer survivors: Do recurrence and mortality risks increase? Presented to Stanenas SM at Aurora Health Care Scientific Day. May 24, 2017. Milwaukee, WI.

Lead Article in Gynecologic Oncology with (a) editorial recognition and (b) international recognition/model validation: Cox Bauer CM, Greer DM, **Kram JFF**, Kamelle SA. Tumor diameter as a predictor of lymphatic dissemination in endometrioid endometrial cancer. *Gynecol Oncol.* 2016 May;141(2):199-205. [(a) Bakkum-Gamez JN. Refining the definition of low-risk endometrial cancer: Improving value. *Gynecol Oncol.* 2016 May; 141:189-190; (b) Tuomi T, Pasanen A, Leminen A, Butzow R, Loukovaara M. Prediction of lymphatic dissemination in endometrioid endometrial cancer: Comparison of three risk-stratification models in a single-institution cohort. *Gynecol Oncol* 2017;144:510-514.]

Featured poster presentation for Pain Management Poster Walk. Kotovicz F, **Kram JFF**, Flores K, Webster J, McDearmon S, Phelps B, Baumgardner DJ. Impact of primary care provider education on appropriate level of opioid prescription for chronic noncancer pain (CNCP). Featured at the North American Primary Care Research Group 2016 Annual Meeting. November 15, 2016. Colorado Springs, CO.

Aurora Research Institute 2016 Research Team Award. Presented at the Aurora Health Care Research Institute Recognition Event to the Aurora UW Medical Group Support Team, **Kram JFF** and Greer DM. September 14, 2016. Milwaukee, WI.

Rieselbach Distinguished Paper Session – Oral Presentation. Farrell MH, Sprenger CR, Sullivan SL, Trisler BA, **Kram JFF**, Ruppel EK. Benefit of report card feedback after point-of-care assessment of communication quality indicators. Presented to Farrell MH at Aurora Health Care Scientific Day. May 25, 2016. Milwaukee, WI.

Aurora Scientific Day 3rd Place Judged Oral Presentation. Patel K, **Kram JFF**, Baumgardner DJ. Path to resistance: risk factors associated with carbapenem-resistant *Pseudomonas aeruginosa*. Presented to Patel K at Aurora Health Care Scientific Day. May 25, 2016. Milwaukee, WI.

Community Hospital Award - Oral Presentation. Forgie MM, **Kram JFF**, Greer DM, Bernhard KA, Salvo NP, Siddiqui DS. A randomized control trial of Foley catheter placement for induction of labor: stylette versus no stylette. Presented to Forgie MM from the Central Association of Obstetrics and Gynecology Annual Meeting. October 22, 2015. Charleston, SC.

Dr. George W. Morley Memorial Paper Award - Oral Presentation. Cox Bauer CM, Greer DM, **Kram JFF**, Kamelle SA. Tumor diameter as a predictor of lymphatic dissemination in endometrioid endometrial cancer. Presented to Greer DM from the Central Association of Obstetrics and Gynecology Annual Meeting. October 23, 2015. Charleston, SC.

Jessica J. F. Kram, MPH

Phone: (414)219-5594 • Email: jessica.kram@aurora.org

Aurora Quality Award 2015 - Best Poster. Loras E, Meyers K, Konarske J, Klink C, **Kram JFF**, Baumgardner DJ. Assessing the effectiveness of implementation of unified workflow in improvement of medication reconciliation for Aurora St. Luke's family medicine residency outpatients. Presented to **Kram JFF** and Baumgardner DJ from Aurora Health Care at Aurora innovation in Quality Roundtable. October 5, 2015.

Aurora Scientific Day 3rd Place Judged Oral Presentation. Meyers K, Konarske J, **Kram JFF**, Baumgardner DJ. Assessing the effectiveness of implementation of unified workflow in improvement of medication reconciliation for Aurora St. Luke's family medicine residency outpatients. Presented to Meyers K at Aurora Health Care Scientific Day. May 20, 2015. Milwaukee, WI.

Rieselbach Distinguished Paper Session – Oral Presentation. Forgie MM, Greer DM, **Kram JFF**, Bernhard KA, Salvo NP, Siddiqui DS. A randomized control trial of Foley catheter placement for induction of labor: stylette versus no stylette. Presented to Forgie MM at Aurora Health Care Scientific Day. May 20, 2015. Milwaukee, WI.
